To whom it may concern:
Keep this plan on site at all times

We have incorporated some owner's changes, field changes and clarifications. The **Owner's Changes** have been clouded and tagged with revision #3. The Changes are:

CITY OF ORLANDO

PERMITTING SERVICES DIVISION

CS: Added sheet P2.0 to the index

D1.0: Showed existing equipment to be removed in the kitchen, as well as the kitchen floor tiles and wall finishes.

A1.0: Moved the low wall for the ceviche bar away from the kitchen wall to allow for more working space. Added an egress door in the hallway. Changed the toilet partitions to solid walls.

A3.0: Updated the Ceviche bar section / detail number 1.

A4.0: Changed the toilet partitions to solid walls. Revised the dimensions.

A5.0: Showed new kitchen equipment and Schedule. Moved the ceviche bar away from the kitchen wall to have more working space.

A6.0: Added specifications for new door 111.

P1.0: Revised the underground plumbing as follows: added new trench drains, changed some floor drains to trench drains, added floor sinks per the new food service equipment, relocated floor sinks at the ceviche bar.

P2.0: Added this sheet to show the water connections to the new food service equipment.

End of Narrative of Changes

If there if any question, I can be contacted at phone number (407) 375-0209.

Sincerely,

Rafael A Carbone
